SUSTAINABLE DEVELOPMENT POLICY

Effective as of January X, 2021

401 Bay Street Suite 2100 • Toronto, ON M5H 2Y4 • info@bluethundermining.com

Blue Thunder Mining Inc. ("**Blue Thunder"** or the **"Company"**) is a gold exploration company focused in the Chibougamau Gold District of Québec, where it has consolidated approximately 51,000 hectares of prospective exploration claims in five separate blocks; Fancamp, Muus, Muus East, Embry, and Nisk.

This policy outlines our commitment to conduct exploration activities for the purpose of discovering and developing mineral deposits and for the potential eventual construction and/or operation of mines in a manner that supports a sustainable vision and promotes the core Blue Thunder values of Respect, Safety, Teamwork, Transparency and Integrity. Our sustainability commitments are summarized below.

We will:

- Work to promote a respect for the environment so that we minimize our footprint, ensuring the protection of the water, land and air in the communities and areas in which we operate.
- Respect the culture, values and human rights of the local populations, including the rights of First Nations' peoples.
- Establish a culture where work is carried out in a safe and diligent manner to ensure that all of our employees, contractors and visitors to our operations go home safely every day.
- Develop open and transparent engagement procedures to engage with project-affected communities with respect to our operations.
- Ensure compliance with all applicable legal and regulatory requirements and evaluate our social and environmental performance on a periodic basis through reviews and audits to continuously improve our business practices.
- Require all employees, contractors, business partners and suppliers to adhere to this Policy as a condition of working on our properties.
- Publicly disclose and report on our performance using internationally recognized reporting standards.
