NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the annual and special meeting of shareholders (the “**Meeting**”) of Blue Thunder Mining Inc. (“**Blue Thunder**” or the “**Company**”) will be held on October 1, 2021 at 11:00 am, solely by means of remote communication, rather than in person at the time and for the purposes set forth in the attached Notice of Meeting and at any adjournment thereof:

- (i) to approve the election of directors;
- (ii) to reappoint McGovern Hurley LLP, as auditor of the Company for the ensuing year and to authorize the directors to fix their remuneration;
- (iii) to approve the stock option plan;

Information relating to the items above is set forth in the Circular. Only shareholders of record as of September 1, 2021, the record date, are entitled to notice of the Meeting and to vote at the Meeting and at any adjournment or postponement thereof.

Due to the public health impact of the coronavirus disease 2019, also known as COVID-19, and to mitigate risks to the health and safety of our community, Shareholders, employees and other stakeholders, the Company is conducting a virtual meeting of the Shareholders of the Company. Shareholders will not be able to attend the Meeting in person. Instead, Registered Shareholders (as defined in the accompanying Information Circular under the heading "Appointment of Proxy") and duly appointed proxyholders can virtually attend, participate, vote or submit questions at the virtual Meeting online by registering at the following link:

401 Bay Street • Suite 2704 • Toronto, ON M5H 2Y4 • info@bluethundermining.com

Just as they would be at an in-person meeting, Registered Shareholders and duly appointed proxyholders will be able to attend the virtual Meeting, participate, submit questions online and vote virtually, all in real time, provided they are connected to the internet and comply with all of the requirements set out in the accompanying Information Circular.

Registered Shareholders who are unable to attend the virtual Meeting are requested to complete, sign and date the accompanying form of proxy or voting instruction form in accordance with the instructions provided therein and in the Information Circular and return it in accordance with the instructions and timelines set forth in the Information Circular. Non-registered (or beneficial) shareholders who have not duly appointed themselves as proxyholder will be able to attend the virtual Meeting as "guests", but will not be able to participate, submit questions or vote at the virtual Meeting.

Only persons registered as shareholders on the records of the Company as of the close of business on September 1, 2021 (the "Record Date") are entitled to receive notice of, and to vote or act, at the Meeting. No person who becomes a shareholder after the Record Date will be entitled to vote or act at the Meeting or any adjournment thereof.

If a shareholder receives more than one proxy form because such shareholder owns shares registered in different names or addresses, each proxy form should be completed and returned as indicated in the proxy form.

Since it is desirable that as many shares as possible be represented and voted at the meeting, a shareholder, who is unable to attend the meeting in person, is urged to complete and return the enclosed form of proxy following the instructions therein.

Directors, officers and employees of the Company will not receive any extra compensation for such activities. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice of Meeting. The Company may pay brokers or other persons holding common shares of the Company ("**Common Shares**") in their own names, or in the names of nominees, for their reasonable expenses for sending forms of proxy and this Circular to beneficial owners of Common Shares and obtaining proxies therefrom. The cost of any such solicitation will be borne by the Company.

No person is authorized to give any information or to make any representation other than those contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Company. The delivery of this Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date hereof.

Appointment of Proxies

A registered shareholder of the Company may vote in person at the Meeting or may appoint another person to represent such shareholder as proxy and to vote the Common Shares of such shareholder at the Meeting. In order to appoint another person as proxy, such shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The persons named in the form of proxy accompanying this Circular are officers and/or directors of the Company. A shareholder of the Company has the right to appoint a person or company (who need not be a shareholder of the Company), other than the persons designated in the form of proxy, to represent such shareholder at the Meeting and at any adjournment thereof. Such right may be exercised by either

401 Bay Street • Suite 2704 • Toronto, ON M5H 2Y4 • info@bluethundermining.com

striking out the names of the persons designated in the form of proxy and inserting the name of the person to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, no later than 2:00 p.m. (Toronto time) on September 29, 2021 (or no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any reconvened Meeting in the event of an adjournment of the Meeting) or depositing the completed and executed form of proxy with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof. Voting instructions may also be provided by telephone or the internet by following the instructions on the form of proxy.

Revocation of Proxies

A registered shareholder of the Company who has given a proxy may revoke the proxy: (a) by depositing an instrument or act in writing, including another completed form of proxy, executed by the shareholder or by the shareholder's personal representative authorized in writing (i) at the registered office of the Company, located at 401 Bay Street, Suite 2704, Toronto, Ontario, M5H 2Y4, at any time prior to 5:00 p.m. (Toronto time) on the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; with (iii) Computershare Investor Services Inc. at any time up to 5:00 p.m. (Toronto time) by mail or by hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or by facsimile to 416-263-9524 or 1-866-249-7775; or (iv) in any other manner permitted by law.

Exercise of Discretion by Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be called for at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder of the Company contained on the form of proxy and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of instructions, such Common Shares will be voted FOR of each of the matters described in the Notice of Meeting.**

401 Bay Street • Suite 2704 • Toronto, ON M5H 2Y4 • info@bluethundermining.com

Unless otherwise specified herein, all resolutions will be adopted by a simple majority of the votes represented at the Meeting.

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters described in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Company knows of no such amendments or variations or other matters to be brought before the Meeting. However, if any other matter which is not now known to management of the Company should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matter in accordance with the judgment of the person named as proxy thereon.

Execution of Proxy

The form of proxy must be executed by the shareholder of the Company or by the shareholder's personal representative authorized in writing. A form of proxy executed by the shareholder's personal representative or by a person acting in some other representative capacity, including an officer of a Company which is a shareholder of the Company, should indicate the capacity in which such person is signing. A shareholder of the Company or the shareholder's personal representative may execute the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of the shareholder's personal representative, as the case may be.

Non-Registered Shareholders

The information set forth in this section should be reviewed carefully by the non-registered shareholders. Shareholders who do not hold their shares in their own name (“Beneficial Shareholders”) should note that only proxies deposited by Registered Shareholders whose names appear on the records maintained by the Company’s registrar and transfer agent as registered holders of shares will be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, those shares will, in all likelihood, not be registered in the shareholder’s name. Such shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority

401 Bay Street • Suite 2704 • Toronto, ON M5H 2Y4 • info@bluethundermining.com

of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

National Instrument 54-101 - *Communication with beneficial Owners of Securities of a Reporting Issuer* ("NI-54-101") requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to Registered Shareholders.

The vast majority of brokers now delegate responsibility of obtaining instructions from clients to Broadridge Financial Solutions Inc. ("BFSI") in Canada. BFSI typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to BFSI, or otherwise communicate voting instructions to BFSI (by way of the Internet or telephone, for example). BFSI then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder who receives a BFSI voting instruction form cannot use that form to vote shares directly at the Meeting. The voting instruction forms must be returned to BFSI (or instructions respecting the voting of shares must otherwise be communicated to BFSI) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through a broker or other intermediary, please contact your broker or other intermediary of assistance.

This Information Circular and accompanying materials are being sent to both Registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**Objecting Beneficial Owners**", or "**OBO's**") and those who do not object to their identity being known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**", or "**NOBO's**"). Subject to the provision of NI-54-101 issuers may request and obtain a

401 Bay Street • Suite 2704 • Toronto, ON M5H 2Y4 • info@bluethundermining.com

list of their NOBO's from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding the common shares on your behalf) has assumed responsibility for delivering these materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Company's OBO's can expect to be contacted by BFSI or their brokers or their broker's agents as set out above.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of his or her broker (or his or her broker's agent), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the shares as proxyholder for the Registered Shareholder by entering his or her own name in the blank space on the proxy form provided to him or her by his or her broker (or his or her broker's agent) and return it to that broker (or that broker's agent) in accordance with the broker's instructions (or the agent's instructions).

All references to shareholders in this Information Circular, the enclosed form of proxy and the Notice of Meeting are to the Registered Shareholders unless specifically stated otherwise.

A Non-Registered Shareholder who has submitted a voting instruction form or form of proxy may revoke it by contacting the Intermediary through which the Common Shares of such Non-Registered Shareholder are held and following the instructions of the Intermediary respecting the revocation of proxies.

Orientation and Continuing Education

When appointed, new directors receive orientation training based on their previous experience, on the Company's business, assets and sector of activity, as well as their new responsibilities. Board meetings are sometimes held in the Company's offices and are from time to time combined with presentations by the Company's management to give the Company's directors added perspective on the Company's affairs. In addition, the Company's management is available for discussions with all Board members.

Ethical Business Conduct

In light of the Company's stage of development and its limited number of employees, the Board has not taken formal steps to encourage and promote a culture of ethical business conduct. Board members consider that the fiduciary responsibilities imposed on directors by the law governing the Company and Common Law and the restrictions imposed by legislation governing corporations with respect to the participation of an individual director in conflict of interest in the decisions of a board are sufficient to ensure that the Board operates independently of management and in the Company's best interest.

Nomination of Directors

The Board does not have a nominating committee. The current size and composition of the Board allows the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences, and ability to devote the required time.

Other Board Committees

There are currently no committees other than the Audit Committee.

Assessments

No formal evaluation process has been put in place to evaluate the effectiveness of the directors, the descriptions of the positions held or the competence and qualifications that each director is required to bring to the Board. This task is the responsibility of the Board who punctually reviews its operation as well as its directors' role, and its members are encouraged to give feedback regarding the effectiveness of the Board as a whole, its practices and individual directors will, when necessary, make recommendations to the Board.
